## D. Cause OF Action

a. (1) Count 1 (continued): force was necessary. I never made any aggressive threats or movements. When he pulled out his taser I asked him a question. I asked why would he taze me for not picking up the inhaler. He didn't answer me, he tazed me. And I believe he tazed me for too long, even though I wasn't supposed to be tazed anyhow. I pleaded for him to stop a few times as he continued, and the other two officers watched. I do not know their names. I requested their names but I was never told.

Before I was tazed, I was on my way to get a breathing treatment. Operations opened the exterior slider for me to go to medical. On the way there, Cpl. Miller told me to go back to my unit, and he escorted me back, followed by the other two officers. He said I couldn't walk the hall without an escort. I told him my intentions of getting to medical, and requested for one of them to take me. Cpl. Miller said no and told me that I would now have to wait for another escort. Before the slider shut, I tossed my inhaler to the floor. The officers turned back and the slider reopened. Cpl. Miller told me to pick up the inhaler and I refused. He pulled out the taser, I put up my hands, and he tazed me.

(2) Supporting Facts (continued): D.O. Bagby was the pod officer who can confirm that I was tazed. He also logged me out to go to medical, so he would also

be able to confirm the date and time. Surveillance.

b (1) Count 2 (continued): Cpl. Miller demanded that I better pick the inhaler up. I informed him that my back was hurt and I had permanent knee damage, and that I couldn't pick it up. Especially while still cuffed behind the back. He grabbed me and forced me to pick it up anyway. Then Cpl. Miller instructed one of the other officers to take me to the booking nurse. I told her my back was hurt and I still needed a breathing treatment. She said I was talking to the wrong person. When I got to medical, they gave me a new inhaler, and said they'll schedule me for an appointment about my back. They never have. After that they took me to a holding cell in booking, and kept me there into the next shift. Finally someone escorted me back to my unit.

b (2) Supporting facts (continued): booking nurse would have documented the date and time I arrived. Medical would have documented when I was issued a new inhaler. And D.O. Bagby signed me back into the pod because he worked overtime that day. So the sign in sheet for May 17, 2014 would have the time I returned to the unit.

c (2) Supporting facts (continued): rinsed the urine from the front tail of my shirt. Also, when I returned to the unit, D.O. Bagby allowed me to shower and wash my clothes. It will be on surveillance as well.
